

WARRING SPIRIT

‘I am but a soldier,
Precious to my Lord,
Saved by His Father’s giving
The water and the word.’

‘I am My Father’s Saviour,
I am a faithful friend,
Who will battle with Me,
Enduring to the end?’

‘I am a battling warrior,
Fighting to and fro,
Who will lead me onward,
Never let me go?’

‘I am the One victorious,
Battling to the end,
I am the One, the glorious,
Faithful, Lover, Friend’

‘I am a foe stupendous,
You tiny little squirt,
Teach you things tremendous,
Then trample you in dirt.’

‘I have a foe stupendous,
But through Thee I’ve girt
My loins, my head victorious,
Then I’ll not be hurt,
If I follow dearly,
My Saviour and my friend,
Lord and Master clearly,
Beginning to the end.’
